

HORIZON HORSEBACK

"The lovely choir, Candlelit dinner at Rocklodge, and Tim realising at Polocrosse that he has married a battle axe! "

HONEYMOONS

The Horizon Horseback Signature Safari accommodation is a boutique lodge, and therefore the perfect place to sink away and be romantic. We have two secluded rondavels with private verandahs overlooking the lake, where special candlelit meals can be arranged. Horizon endeavours where possible to tailor make your honeymoon to suit your needs, making it truly unforgettable.

WEDDINGS

Horizon can accommodate for up to 50 people on the ranch, using various lodges all within a 5 mile radius of the Horizon lodge. The style of the wedding, the decorations and the catering can all be tailored to specific needs and budgets. By simply detailing individual requests and preferences, a unique occasion can be created that surpasses all expectations and will be remembered for years to come. Our much published photographer can capture the memories of the occasion and can offer packages that include digital prints and photo books of the day.
